Access

To gain access to the Members' Online Online Library, you will need to either:

- 2) use your email address of record as your key to the gate on a computer-by-computer basis. If you check the 'remember me' box when signing in, your IP address will be stored in our system, and you will not have to pass the gate in the future. You can do this for any single computer you wish – (or send us your entire range of IP's. and we'll do it for you.) Please note this method will not work if we do not have an email address on file for you; if this is the case, please ***update your member record, or contact LERAoffice@illinois.edu.
